KID'S CAMP 2009

August 31st to September 4th

We're going on Safari!

Come join the adventure!

This summer at Northwood United Church's Vacation Bible School, children can travel through the African plains on a safari. Kids will have a fun and exciting week exploring the daily lessons while learning more about our amazing world and some of the cool creatures that live in it. Through their adventures children will learn some basic truths from the bible that will help them as they journey through life.

This program is open to children entering Grade 1 to 6 in September and we would love to have them join us Monday, August 31st thru Thursday September 3rd from 9am to 2pm daily and Friday September 4th, 9am to 3pm. The cost is \$ 30 child/\$75 per family and includes craft supplies and snacks! Your child should bring a "bag lunch" each day.
